Letter of Authority

Dear Sir/Madam,

The bearer of this letter is authorised by Ben Bishop, Area Fundraising Manager for the British Heart Foundation, to seek raffle prizes, samples, and support, for a large charity event 'the Snowflake Ball'. Kaylee Pawley has been authorised accordingly.

The purpose of the event will be to raise much needed funds and we are seeking prizes for the event. All proceeds raised will go to charity including the British Heart Foundation. Heart disease is an urgent problem in the UK. It kills one in six men and one in nine women. The British Heart Foundation is here to fight for every heartbeat from babies born with life-threatening heart problems to the many Mums, Dads and Grandparents who survive a heart attack. For 60 years we've pioneered research that's transformed the lives of people living with heart and circulatory conditions. Our work has been central to the discoveries of vital treatments that are changing the fight against heart disease

Your support would be greatly appreciated in terms of suitable small prizes, gifts in kind, donations, or any support you may deem appropriate. Coronary heart disease is more likely to kill you than any other serious illness, including cancer; that's why we rely on people like you to help us, no matter how big or small your contribution may be. You may contact the number above if you need any further verification regarding the authenticity of this letter and contents.

Yours faithfully

Ben Bishop
Fundraising Manager, Hampshire & Isle of Wight
